# Magic Circus Fun

Help Rudy complete the pattern and find his way home to 100 Magic Circus Drive.

The path starts at Rudy the rabbit, who is holding a sign with the number 2. The path continues with signs for 4, 6, 8, and 10. There are several empty boxes between 10 and 20, and between 20 and 30. The path then has signs for 30, 40, 50, 60, 70, 80, 90, and finally 100. The number 100 is shown on a mailbox and a sign. The path is decorated with various circus acts and animals, including monkeys, giraffes, elephants, lions, bears, and clowns. Rudy is shown at the start and at the end of the path, near his home.
